Shortlist announced for ABB LEAF Awards

The shortlist has been announced for the 2019 ABB LEAF (Leading European Architects Forum) Awards. Comprising new architecture, planning and development projects, this year's awards have seen a record number of entries across the 16 diverse categories, including the new categories of 'Best Arts & Culture Building' and 'Best New Start Up Practice'.

The shortlist includes projects of all scales and complexities from across the world. All of the shortlisted projects "include buildings that are setting the benchmark for the international architectural community," said the organisers.
