The ABB LEAF Awards has also announced two new exciting categories for 2019:

- Best New Start Up**
- Best Arts & Culture Building Project**

The full category list and descriptions can be found [here](#)

For 2019, the LEAF Awards are proud to announce once again Headline Partner and Trophy Patron ABB.

Katrin Förster, Global Key Account Manager for Architects at ABB, said: ‘We wanted to support an international awards competition that has a personal, authentic character. Today this is our third year as headline partner of the heartfelt, yet absolutely global and well received LEAF Awards. It is so exciting to know, that numerous ingenious new projects will compete in 2019 for the 18 categories that are open for entries now. We look forward to meeting many of the entrants and welcoming them at a fulminant and fun ceremony in Berlin, in October.’

The winners will be announced at the glittering awards ceremony on Thursday 24 October 2019, in Berlin, Germany.

Last year's winning international projects came from Zaha Hadid , Aedas, Studio mk27, Innocad, AnySCALE, IDOM, West-line studio and Margot Krasojevic.

Specifying the Future of Architecture
23rd-24th October 2019, Germany

@LEAF AwardsForum

The banner features a background image of a modern building with a glass facade. The text is overlaid on the image. The main title 'LEAF INTERNATIONAL 2019' is in large, bold, black and green letters. Below it, the subtitle 'Specifying the Future of Architecture' and the dates '23rd-24th October 2019, Germany' are in smaller, black, sans-serif font. In the bottom right corner, there is a Twitter icon and the handle '@LEAF AwardsForum'.
